Place of data processing

The processing of personal data connected to the web services of this site will take place at the headquarters of Elcom di Volpato Sandro with manual and / or IT systems designed to store, manage and transmit the data, with logics strictly related to the same purposes, for the time strictly necessary to achieve the purposes for which they were collected, based on the data in our possession and with Your commitment to promptly notify us of any corrections, additions and / or updates.

They are only handled by technical personnel of the office in charge of the processing, or by others in charge of occasional maintenance operations. No data deriving from the web service will be communicated or disseminated.

The Data Controller provides for the use of adequate security measures in order to preserve the confidentiality, integrity and availability of personal data of the interested party.

Personal data will be kept for the duration of the contract and for the time in which ELCOM di Volpato Sandro will be subject to conservation obligations for tax purposes or for other purposes established by law or regulation.

According to the art. 13 of the EU Regulation n. 697/2016 (GDPR), you are recognized, in particular, those present rights:

- know the existence or not of personal data concerning you and their communication in intelligible form
- ask ELCOM di Volpato Sandro access to your personal data and information relating to themselves.
- obtain the updating, rectification or integration of the data, as well as the cancellation of your personal data (if one of the conditions indicated in Article 17 occurs

paragraph 1 of the GDPR and in compliance with the exceptions provided for in paragraph 3 thereof Article)

- revoke the consent at any time to the processing of your personal data oppose the sending of advertising material or for carrying out market research or commercial communication.

Legal notices

The Company ELCOM S.r.l., which manages the site www.elcompd.com intends to accurately describe the management of the processing of personal data of users of the same.

The information is not valid for other websites that can be consulted through the links present, of which our company must not be held responsible in any way.

Types of data

Navigation data

The computer systems and software procedures used to operate this website acquire, during their normal operation, some personal data whose transmission is implicit in the use of Internet communication protocols; this information is not collected to be associated with identified interested parties, but by their very nature could, through processing and association with data held by third parties, allow users to be identified. This category of data includes the IP addresses or domain names of the computers used by users connecting to the site, the URI (Uniform Resource Identifier) addresses of the requested resources, the time of the request, the method used to submit the request to the server, the size of the file obtained in response, the numeric code indicating the status of the response given by the server and other parameters relating to the operating system and the user's IT environment.

This data is used only to obtain anonymous statistical information on the use of the site and to check its correct functioning and is deleted immediately after processing. The data could be used to ascertain responsibility in case of hypothetical computer crimes against the site. Web contact data does not persist for more than 365 days.

Data provided voluntarily by the user

The optional, explicit and voluntary sending of electronic mail to the addresses indicated on this site entails the subsequent acquisition of the sender's address, necessary to respond to requests, as well as any other personal data included in the message.

Cookies

We do not use cookies to transmit information of a personal nature, nor do we use "persistent cookies" of any kind, or systems for tracking users. The use of "session cookies", which are not stored on the user's computer and disappear when the browser is closed, is strictly limited to the transmission of session identifiers necessary to allow a safe and efficient exploration of the site.

Intellectual property

All rights to the contents (texts, images, photos, site architecture ect ...) are reserved pursuant to current legislation. The contents of the pages of the website cannot, either wholly or in part, be copied, reproduced, transferred, uploaded, published or distributed in any way without the prior written consent of ELCOM Srl. Any form of link to this Site, if inserted by third parties, it must not damage the image and activities of ELCOM Srl.

In any case, "deep linking", ie non-transparent use, on third-party sites is prohibited. of parts of this website.

Limits of liability

ELCOM Srl, unless otherwise indicated by law, cannot be held in any way responsible for damages caused directly or indirectly by access to its website, the inability or impossibility to access the information contained therein or their use. ELCOM di Volpato Sandro reserves the right to change the contents of the same at any time and without notice. ELCOM di Volpato Sandro assumes no responsibility for services offered by third parties with whom the website has activated a link, and for any other content, information or anything else contrary to Italian laws present in it. The indication of any link does not imply any appropriation or sharing of responsibility for the completeness and correctness of the information set forth therein.
